

PROPOSAL OF PROJECT

SUBJECT: JEWISH CULTURAL HERITAGE

RED DE JUDERÍAS

UNION OF LOCAL AUTHORITIES IN ISRAEL (ULAI)

BACKGROUND

In order to increase the awareness of Israeli and Spanish youngsters to the Jewish Cultural Heritage in Spain we suggest creating an educational project.

The project will be organized jointly with the Red de Juderías and the Union of Local Authorities in Israel (ULAI) both providing content, logistics and support.

MAIN IDEA

Israeli students will visit the cities of the Red de Juderías network, explore the Jewish sites, and meet with educators, historians, Spanish youngsters.

OBJECTIVES

- To design common activities addressed to increase awareness of the Israeli and Spanish youngsters to the Jewish Cultural Heritage in Spain.
- To include the project in the cultural agreements between the Governments of Israel and Spain.
- To establish a model for other countries.
- To include this educational project in school curriculum.

- To provide a forum for dialogue and cooperation based on the educational project between municipal leaders, academicians and youngsters.
- To establish a permanent Executive Board.
- To establish a mechanism of collaboration between the participating local authorities.
- To be integrated to the "European Jewish Heritage" Association (AEPJ).

ACTION PLAN

A preparatory workshop meeting between Israeli and Spanish Mayors and professionals will take place in Spain to design the project for the youngsters.

In this meeting the methodology and practical actions of the projects will be discussed and agreed.
